No

**For producers applying for traps and wildlife deterrent: By checking the boxes and signing below, I attest to the following:**

**I have read the UF/IFAS publication “Trapping Wild Pigs: Techniques and Designs”, and the FWC Factsheet “Nonnative Species: Wild Hogs” and agree to abide by the recommended steps for humane trapping and humane euthanasia.**

**Trapped swine are not to be relocated without my registration with FDACS as a Feral Swine Dealer.**

**The trap is for my use and is not to be rented out or used for commercial purposes.**

**Photos submitted with this application show damage to my property caused by feral swine.**

**I will follow FDACS Best Management Practices including carcass disposal in upland areas, locating burial sites at least 200’ from sensitive features and 50’ from adjacent property.**

**I agree to complete the survey 3 months after cost-share is provided.**
